### **PRESS COMMUNICATION**

Vision /R4 Corporation has finalized an important agreement with a CA accounting firm Ernst & Young based in Kenya. They will use the “Apogee Solution” (Financial, Distribution, Project Management, Billing as well as the Pay modules) for their internal use in their various offices such as Kenya, Uganda and Rwanda. The first stages of the implementation are scheduled for the beginning of June 2007.

Vision / R4 Corporation is very proud to have been able to finalize an agreement with this CPA firm that is part of the "Big Five" across the world. This is going to give more credibility to the “Apogee Solution”. They also agreed to recommend the “Apogee Solution” to their customers, which is going to provide a network of marketing for Vision / R4 in the mentioned countries.

Also, Vision / R4 Corp. is in a negotiation with the central office for Africa located in "South Africa" so that other Ernst & Young offices in Africa use the “Apogee Solution” for internal use.

Please note that Vision / R4 Corp. has a very strong presence in several countries of the Southern Africa and Eastern Africa such as Uganda, Kenya, Zimbabwe and Zambia.
